Dear Mr. Donnelly:

On November 20, 1986, I informed you of the issuance of the Standard Form (SF) 189-A, "Classified Information Nondisclosure Agreement (Industrial/Commercial/Non-Government)" by the Information Security Oversight Office (ISOO). ISOO developed this form as an alternative nondisclosure agreement which Government contractor, licensee, and grantee employees, or other non-Government personnel may sign as an alternative to the existing SF 189, "Classified Information Nondisclosure Agreement." Since its issuance, the Defense Investigative Service (DIS) has informed us of its intention to administer the sign up program for the SF 189-A for all contractor, licensee and grantee employees or other non-Government personnel who are part of the Defense Industrial Security Program (DISP). If your agency is a participant in that program, you should contact Andrea Wraalstad, DIS Headquarters, at 202-475-0902 (commercial) or 335-0902 (autovon), with any questions concerning the implementation of the SF 189-A.

Sincerely,

Steven Garfinkel
